

Pro Trader Network Privacy Policy

The primary website address is: <https://protradernetwork.com>.

Whenever you see a site with “protradernetwork.com” in the address bar, it will follow our policies as outlined below.

Personal Data Collected and Why it is Collected

Comments

When visitors leave comments on the site, the data shown in the comments form and also the visitor’s IP address and browser user agent string may be retained to help spam detection.

This is achieved by such adding information to the list of spam criteria stored in the WordPress/GoDaddy managed website database.

Media

If you upload images to the website, you should avoid uploading images with embedded location data (EXIF GPS) included. Visitors to the website can download and extract any location data from images on the website.

Contact forms

Contact forms for adding subscribers to emails are collecting through the use of a WordPress/MailChimp widget embedded in the website. This information is then stored in a MailChimp database for group emails. Please visit <https://mailchimp.com> for their privacy policy.

Cookies

If you leave a comment on our site you may opt-in to saving your name, email address and website in cookies. These are for your convenience so that you do not have to fill in your details again when you leave another comment. These cookies will last for one year.

If you have an account at one of education sites and you log in to this site, they may set up a temporary cookie to determine if your browser accepts cookies. Please visit <https://Thinkific.com> and <https://Udemy.com> to review their privacy policies.

We may use third party services that track place cookies (information) on your computer in order to serve relevant ads to you on that third-party ad platform (i.e. Google, Facebook and others). You can opt-out of their delivery of ads to you on their specific platforms, as that is not something that we control nor do we store the actual information about your visit with those cookies/pixels.

The aforementioned third-party services may also collect geo-location information, IP address, and any requested information when specifically opting in to receive specific information from us. When doing so you may receive marketing promotions related to that opted-in information. However general marketing “email list” or other marketing efforts, like third-party ads, will require additional consent checkbox that you will have to agree to in order to receive those valuable promotions or alternative free material.

Embedded Content from Other Websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracing your interaction with the embedded content if you have an account and are logged in to that website.

Analytics

Third party analytics (Google, Thinkific, Udemy) may track information about your device's location, IP address, and time spent on pages or what pages you access and/or visit.

Opting-Out of Tracking or Information Storage when Visiting the Pro Trader Network or Education websites.

The easiest way is to use "private" or "incognito" browser windows when using our site(s), this will anonymize your visit(s) and not allow us to track or store any information about your visit, such as IP address, geo-location, cookie storage, third-party ad tracking pixels and more. Of course, if you submit information to us during one of these "private" browsing sessions that will be stored in our systems and used per the consent you've agreed to upon submission.

Sharing Your Data

We do sell, share or market your data as a client or subscriber of the Pro Trader Network. Any data collected about you is done so as a result you direct opting in of email notifications or other third-party services and platforms we use to host our content. Each service provider has their own **Privacy Policies** and **Terms of Use** that you should read thoroughly and understand.

Data Retention

If you leave a comment, the comment and its metadata may be retained indefinitely.

For users that register on our website or third-party websites (if any), the personal information provided is stored in the user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.

Your Data Rights

If you have an account on this site, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes. Understand if you ask us to delete your data in our systems your free or paid access to content may stop working. Email addresses are a common way of creating a username, if you request that we delete it, your access may stop working.

You can opt-out of any marketing emails by using the standard unsubscribe at the bottom or by contacting us and requesting we unsubscribe you. This will effectively require that we update any third part marketing platforms and unsubscribe you from those as well. Please understand, this may take some time to update all relevant areas before you stop receiving promotional material (emails, ads, etc.). Please allow up to 2 weeks for all removal of your data.

Analysis of Your Data

Visitor comments may be checked through an automated spam detection service. If you unsubscribe from our marketing via email or request deletion of your information, we will remove you from those efforts as soon as possible.
